

Job Opening for Recovery Mentor

Harmony is seeking a creative, fun, and focused person in recovery to help create in-school and afterschool recovery community with adolescents.

The position is part-time with the potential to grow.

Harmony is in our third year as Oregon's only recovery high school! We are excited to begin our launch of a new afterschool program. We are looking for the right person to act as a bridge between in-school and afterschool activities, to work closely with our lead coach and outreach coordinator on designing and growing the program, and to work with youth and Harmony staff directly.

The Harmony staff is energetic, heart-led and collaborative, and the youth we serve are amazing. We look forward to welcoming you to our community!
