

Certified Alcohol and Drug Counselor

Harmony Academy seeks a licensed CADC to work with youth and young adults at Oregon's first Recovery High School. The ideal candidate will bring knowledge, wisdom, and compassion to the role, supporting young people holistically as they set off on their recovery journey. The role involves mentorship for young people, support for their families, collaboration with other professionals and partners, and education about substance use and cooccurring disorders. We are seeking someone who is creative, youth-centered, and skillful when it comes to professional boundaries, ethics, and self-care. In the recovery school setting, a successful CADC needs a sophisticated and nuanced understanding of harm reduction practices and principles within an abstinence-focused environment.

Harmony Academy is a tuition free, public school serving seventeen school districts in the Portland Area. Our youth, ages 14-21, work towards a full high school diploma as they build recovery capital and connection with healthy peers. We have been enthusiastically serving young people in the tri-county area since 2019.
